RE: Doggett for Congress Committee
FEC Identification No. C0028650
Response to June 15, 2006 FEC Letter

Dear Ms. Grant:

This letter will respond to the FEC's June 15, 2006 letter to the Doggett for U.S. Congress Committee concerning the Committee's April 2006 quarterly report.

1. We have noted the Commission's comments concerning reporting of contributions to other committees and charities on Line 21 of the Detailed Summary Page of the Committee's reports. In the future, including our July 15, 2006 report, we will report these as Line 21 items and itemize them on a separate Schedule B.
2. The June 15 letter also asks whether the Committee may have failed to file a required 48-hour notice concerning a contribution received after the close of books for the 12-day pre-primary report. We believe the letter is referring to an "in-kind" contribution in connection with a March 2, 2006 fundraiser. Mr. Howard Pebley covered the cost of food for the event as an in-kind contribution. Although the event took place on March 2, the value of the contribution (which was based on charges by providers) was not available on March 2 or in time for a "48-hour report." The value of the in-kind contribution could not be verified until after the primary election.

Please note that the Committee has consistently been diligent about reporting contributions received within the window for 48-hour reports and equally diligent
